Treasurer's Report:

No report

Advancement Report:

Tony is up to date on all completed merit badges, but not incompletes. He felt that boys may not remember their incompletes and the suggestion was made to use some time at a troop meeting to have boys all look through their folders.

Old Business:

None reported

New Business:

On October 28th at 4:00 at the community center there is going to be an open house for military families/men of the Helena sub that is new to the shipyard. Mal Kenney would like the boys to host/greet.

We discussed a troop fundraiser to benefit the Willettes. A hunter breakfast was suggested for either Nov 14th or 21st.

Julie will call Clayton for clubhouse availability/suggestions.

Steve mentioned a trailer that was advertized at fall camporee for \$800.00 -very reasonable for a 6 by 12 trailer and he will see if it still available.

Tony expressed a concern about the unsupervised rough play that goes on outside, after or at meetings. Steve and Tony will keep an eye on things. Boys need to be spoken to.

Roundtable:

No Roundtable report.

Announcements:

Recharter will be in December this year - prorated.

Scoutmaster's Report:

No report

The Meeting wrapped up and Julie moved for adjournment.
